Dunn Co. Safety Becomes Authorized Provider of IACET CEUs
Prestigious Authorization Demonstrates Commitment to High-Quality Lifelong Learning

Effective February 1st, 2016 –The International Association for Continuing Education and Training (IACET) has awarded Dunn Co. Safety the prestigious Authorized Provider status. IACET Authorized Providers are the only organizations approved to offer IACET Continuing Education Units (CEUs). The recognition period extends for five years, and includes all programs offered or created during that time.

“Dunn Co. Safety is proud of our education programs which trains thousands Construction and Industry Professionals each year in important safety & health skills so that our customers stay on the cutting edge,” stated Director of Training, Shahid Malik. Malik added, “Our new partnership with IACET is a demonstration of our commitment to lifelong learning and high standards for all of our programs, and we are very pleased to join such a prestigious organization as well as an elite group of organizations that offer excellent continuing education and training programs.”

“We are pleased to welcome Dunn Co. Safety as our newest Authorized Provider organization,” stated Francenia Johnson, President of IACET and Supervisor of Operations and Measurements at Memphis Light, Gas and Water Division (MLGW) in Memphis, TN. Johnson added, “Dunn Co. Safety joins nearly 650 organizations around the globe that have had their programs vetted by third-party experts in continuing education to ensure the highest possible standards are met.”

We offer a full range of services, including:

- OSHA 10 Hour and OSHA 30 Hour training and certification
- 4 Hour and 32 Hour Supported Scaffold Certification
- 16 Hour Suspended Scaffold user course / 32 Hour Rigging Foreman course
- 40 Hour and 7 Hour Site Safety manager for Superintendents
- Haz-wopper
- Flagging-signaling / Confined Space

In order to achieve Authorized Provider status, Dunn Co. Safety completed a rigorous application process, including a review by an IACET site visitor, and successfully demonstrated adherence to the ANSI/IACET 1-2007 Standard addressing the design, development, administration, and evaluation of its programs. Dunn Co. Safety has pledged its continued compliance with the Standard, and is now authorized to use the IACET name and Authorized Provider logo on promotional and course material. In addition, Dunn Co. Safety is now linked to the IACET web site and is recognized as offering the highest quality continuing education and training programs.
